Company Profile

公司介绍

Founded in **2001**, Apex Spring Group is an **ISO and CE** certified spring manufacturer with **5** subsidiaries.

超拓弹簧集团成立于**2001**年，是一家**ISO CE**认证的制造商，集团旗下有**五家**分公司。

Factory Profile

工厂介绍

Our **12,000m²** production facility, **3** production lines, **120+** employees, and **28-member** engineering team enable us to provide reliable spring solutions from design and prototyping to mass production.

我们拥有**12,000平方米**生产基地、**三条**专业生产线、**120余**名员工及**28名**工程师团队，具备从弹簧设计、样品试制到批量生产的完整制造与技术服务能力，为客户提供可靠的定制化弹簧解决方案。

Main Product

主要产品

With **25 years** of spring manufacturing experience, we provide one-stop OEM customized spring solutions, covering **compression springs, extension springs, torsion springs, wire forms, automotive suspension springs, and special springs**, from **0.1 mm** precision springs to **80 mm** heavy-duty industrial springs.

拥有**25年**弹簧制造经验，我们为**全球OEM**客户提供一站式定制弹簧解决方案，产品涵盖**压缩弹簧、拉伸弹簧、扭转弹簧、线成型产品、汽车悬架弹簧及特殊弹簧**，支持从**0.1毫米**精密弹簧到**80毫米**大型工业弹簧的全系列定制。

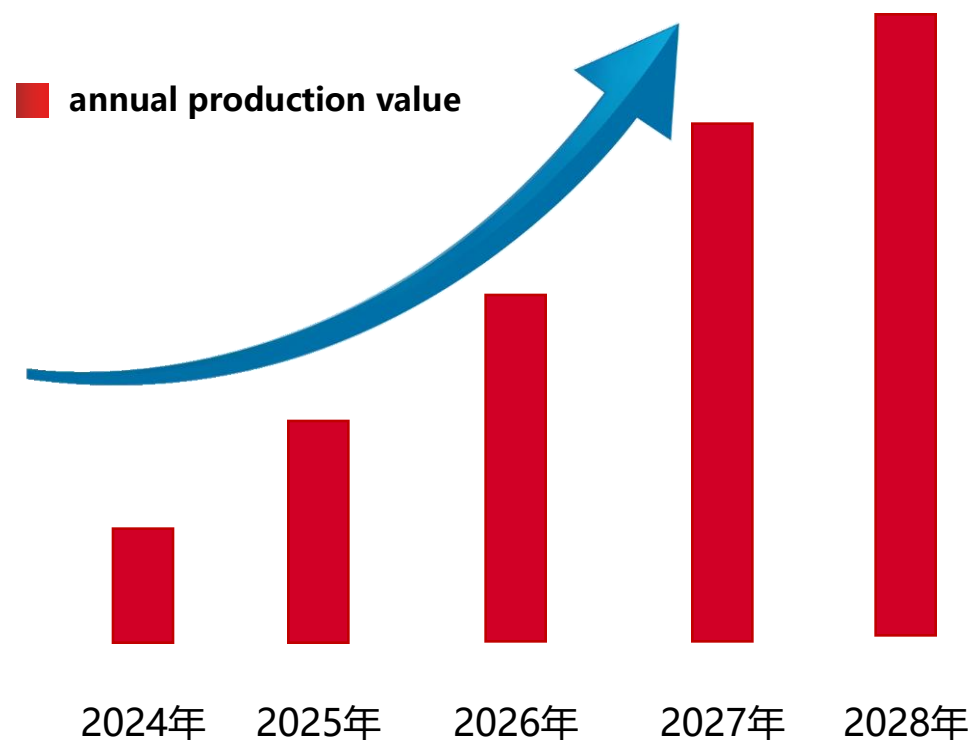

Production value

生产价值

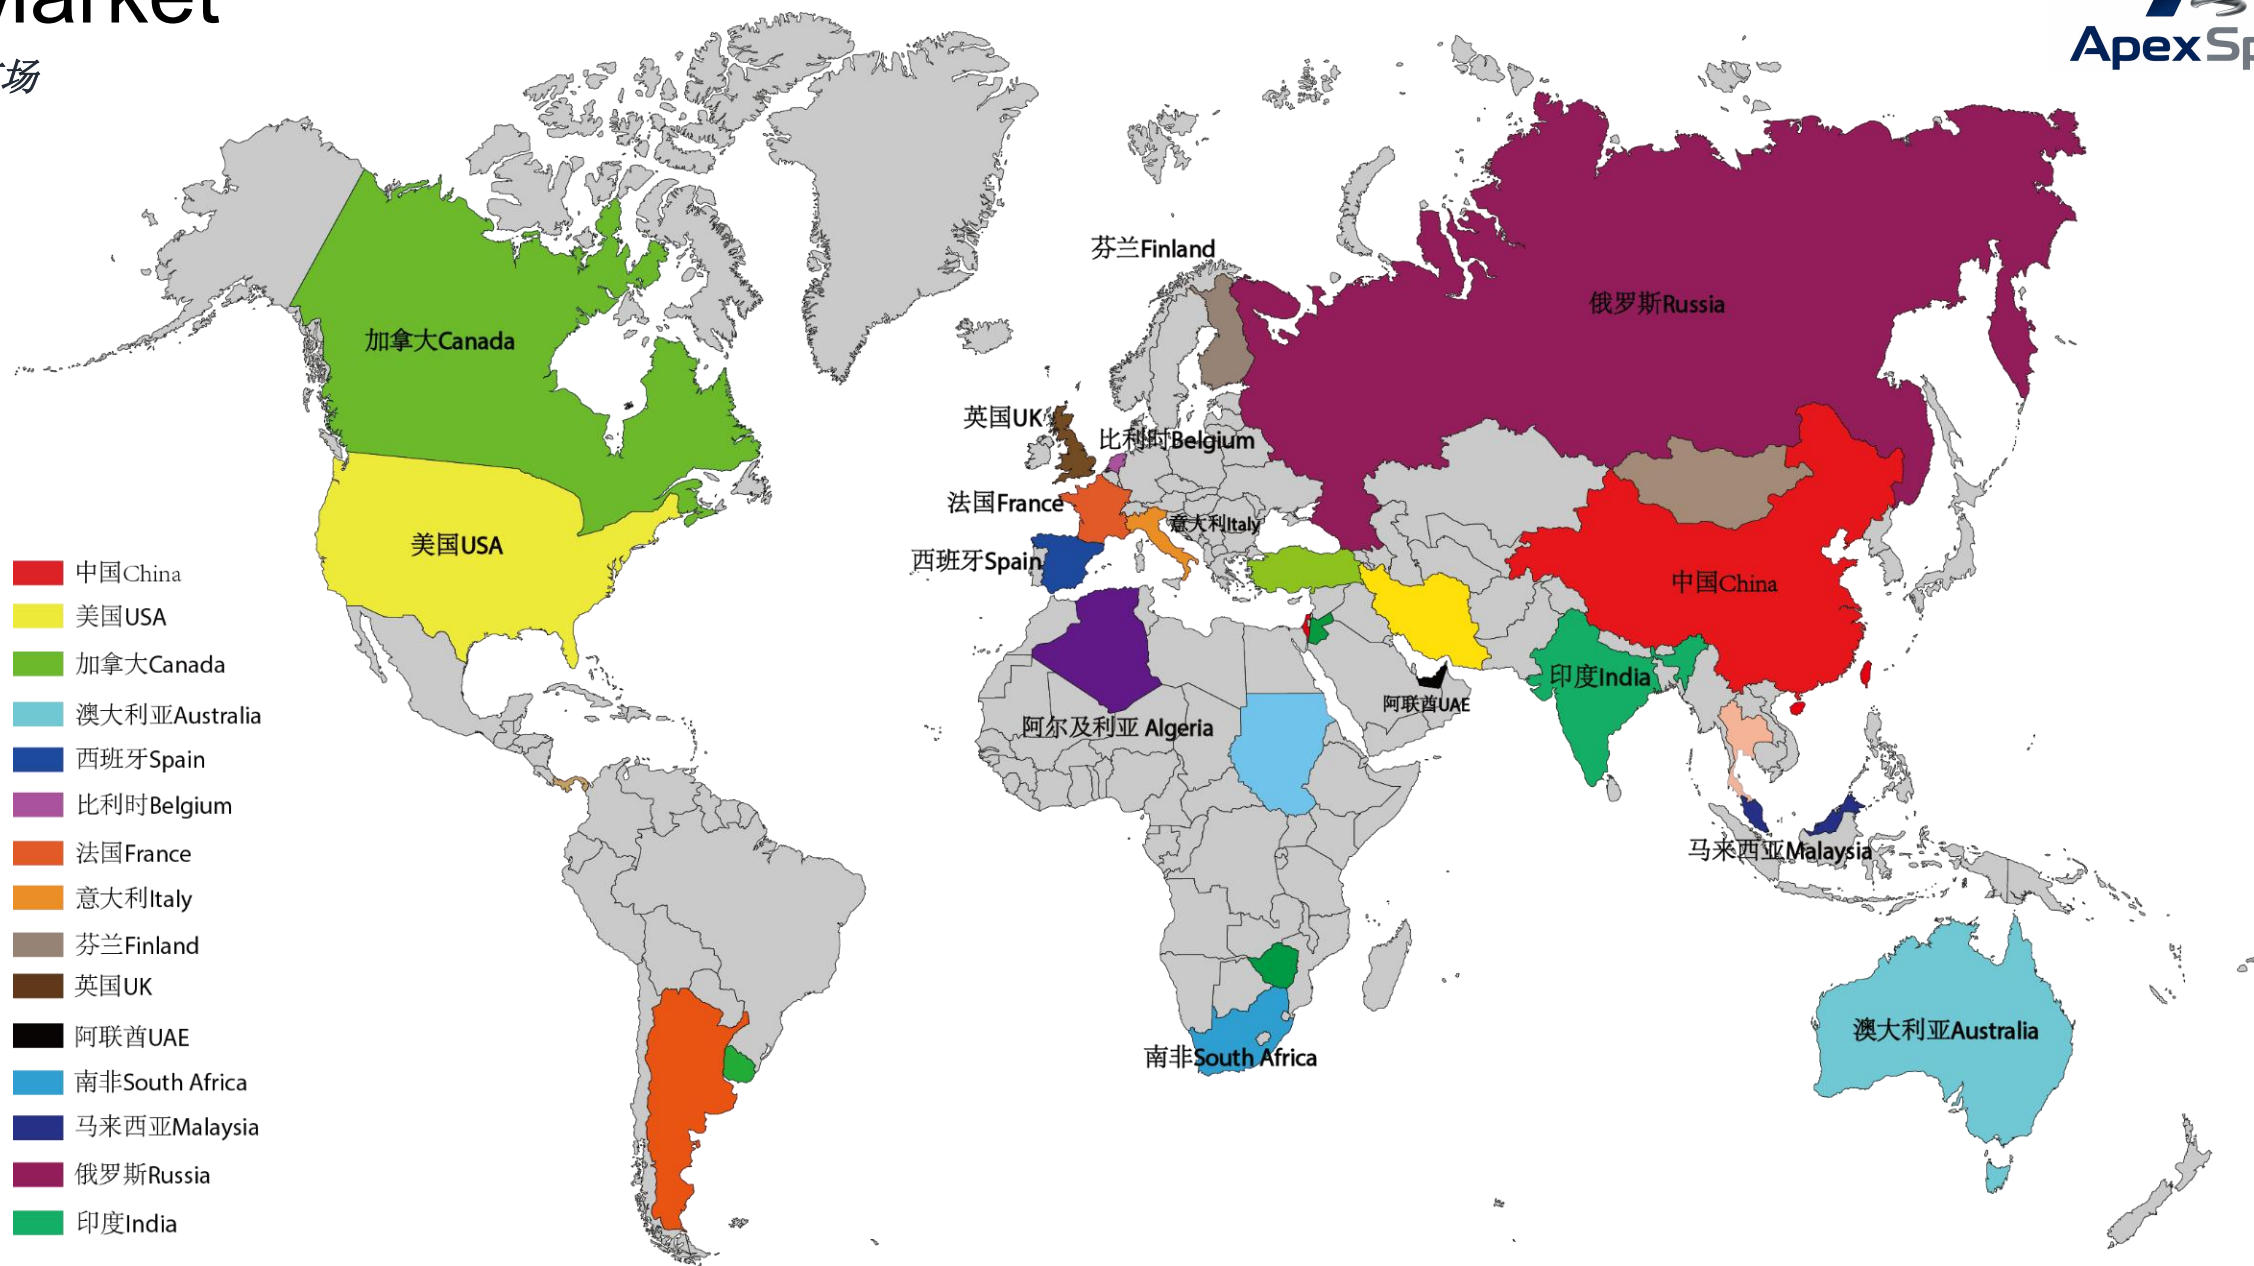

Our company , the annual production value in 2024 is **9.01** million dollars , the annual production value in 2025 is **12** million dollars, the annual production value in 2026 will be expected more than **14.7** million dollars . Since 2016 we have been the leading manufacturer in Spring Manufacturing industry, to provide the top level products and service to customer.

我们公司**2024年**产值**6100万人民币** (901万美金), **2025年8124万人民币** (1200万美金), **2026年**有望突破**1亿人民币** (1470万美金), 自2016年以来, 我们已经成为弹簧行业的领头制造商, 为客户提供高端的产品和服务。

Market

Industries We Serve

服务行业

Our client are from various industries worldwide, including well-known companies such as **XCMG, Geely, BYD, Lovol, SANY, Caterpillar (USA), KONE (Finland), Schindler (Switzerland), Hitachi (Japan), and Novo Nordisk (Denmark)**. Our springs are widely used in automotive, agricultural machinery, industrial equipment, medical, mold, and other industries.

我们的客户遍布国内外多个行业，主要包括**中国徐工集团、吉利汽车、比亚迪、雷沃重工、三一重工，美国卡特彼勒，芬兰通力电梯，瑞士迅达电梯，日本日立，丹麦诺和诺德**等知名企业。产品广泛应用于汽车、农业机械、工业设备、医疗、模具等多个领域。

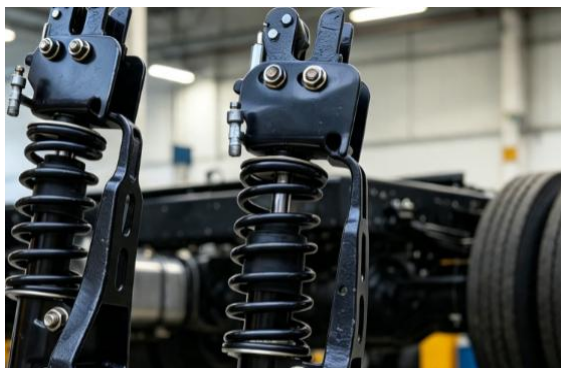

Domestic Brand Project

国内品牌项目

In China, we provide OEM customized spring solutions for leading companies across multiple industries , Our application projects include **truck shock absorber springs** for **XCMG**, **seat adjuster springs** for **BYD vehicles**, **door hinge springs** for **Geely vehicles**, **suspension springs** for **Yadea electric vehicles**, **vibration damping springs** for **Midea washing machines**, **suspension system springs** for **Haier air conditioner**, **syringe springs** for **Novo Nordisk**, and **elevator door system springs** for **Schindler**.

在国内市场，我们为多个行业知名企业提供OEM弹簧定制服务。包括：徐工集团卡车减震器弹簧、比亚迪汽车座椅调节器弹簧、吉利汽车车门铰链弹簧、雅迪电动车减震弹簧、美的洗衣机减震弹簧、海尔空调悬挂系统弹簧、丹麦诺和诺德注射器弹簧、迅达电梯门系统弹簧等。

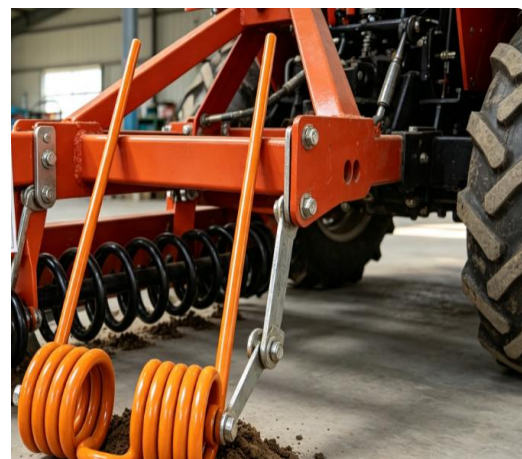

International Brand Project

国际品牌项目

In International ,our projects include **compression springs for Kubota tractors** in Thailand, **wire forms for motorcycle applications**, **tine springs for Daedong agricultural machinery** in Korea, **precision springs for Siemens high-voltage circuit breakers**, **compression springs for coffee machines** in the USA, **torsion springs for garage door systems**, and **springs for robotic gripper systems**.

在国际市场，我们同样为多个行业客户提供OEM定制弹簧解决方案。我们的海外项目案例包括：**泰国久保田拖拉机压缩弹簧**、**某知名摩托车品牌线成型弹簧**、**韩国大东农机弹齿**、**西门子高压断路器精密弹簧**、**美国咖啡机压缩弹簧**、**车库门系统扭簧**以及**机器人抓夹系统弹簧**等。

Our Supplier

我们的供应商

We pay attention to every detail of quality, which is an important part of our strict quality control system. Our suppliers include leading steel manufacturers such as **Baosteel, Shagang, Xingcheng Special Steel, Bekaert, and Nippon Seisen**, as well as internationally recognized coating material supplier **AkzoNobel**, we provide **flexible material solutions** to meet various application requirements. 我们关注每一个细节品质，这是我们严格质量管控体系的重要组成部分。我们的供应商包括**宝钢、沙钢、兴澄特钢、贝卡尔特 (Bekaert)、日本精线 (Nippon Seisen)** 等优质钢材供应商，以及**阿克苏诺贝尔 (AkzoNobel)** 等国际知名涂装材料供应商，可根据不同应用需求提供**多样化材料选择**。

Technical Team

技术团队

Feng Yulin
Senior Engineer

Technology is the core of our products. Our GM is a senior structural engineer with 15 years of spring R&D experience and over 30 national patents. With a professional engineering team and university cooperation, we provide customers with spring design optimization, performance improvement, and technical problem-solving support.

技术是产品的核心。我们的总经理拥有**15年**弹簧研发**经验**，是高级结构工程师，获得国家**专利30余项**。公司拥有专业工程团队，并**与高校**开展**技术合作**，为客户提供弹簧设计优化、性能提升及技术问题解决支持。
